## **CONSENT FOR TREATMENT & POLICIES**

Welcome! I am honored that you chose me to provide your individual or family therapy services. My mission is to provide you with quality care that fits your needs. It is my belief that every person is unique and deserves a customized treatment plan. I am willing to incorporate the therapy techniques that meet your specific needs. I am also committed to adhering to guidelines that protect you as my client. As a result, I would like for you to be aware of the following guidelines before your mental health treatment with me begins.

### **Confidentiality:**

Your verbal communication and clinical records are strictly confidential except for:

- a) Information (diagnosis and dates of service) shared with your insurance company to process your claims;
- b) Information you and/or your child(ren) report about neglect, physical or sexual abuse of a child or an elder or individual with a disability; then, by Oklahoma state law, I am obligated to report this to the Department of Human Services;
- c) Where you sign a release of information to have specific information shared;
- d) If you provide information that informs me that you are in danger of harming yourself or others;
- (e) Information necessary for case supervision or consultation;
- (f) When required by law.

A transfer plan is in place in the unlikely event that I am unable to provide ongoing services. Your records will be maintained by the backup therapist for a period of 7 years.

### **Emergency Services:**

Tensegrity Counseling Associates is not an emergency service. If an emergency for which the client or their guardian feels immediate attention is necessary and I am unable to return your call within a reasonable amount of time, the client or guardian understands that they are to contact 911, go to the nearest emergency room for those services, contact the Crisis Center at (405) 522-8100, or call the Suicide Prevention Hotline at 1-800-784-2433.

**CLIENT INITIALS: \_\_\_\_\_**

### **Financial & Insurance Issues:**

As a courtesy, I will bill your third-party payer, responsible party or insurance company. If a third-party is paying for your services, you will need to sign a release giving me permission to discuss financial matters relating to your treatment services with the third-party. Additionally, the third-party will need to make financial arrangements directly with the office manager. **Payment in full is required at each session.** **CLIENT INITIALS: \_\_\_\_\_**

**Canceling or Rescheduling Appointments:**

Your time is extremely valuable. Every effort is made to ensure that your session is productive and uninterrupted. If you are unable to keep your appointment, please give a 24-hour notice of cancelation so that you will not be assessed the **\$100 fee**. Often there are others that would like to fill your session time in the event you cannot keep your appointment. I appreciate your cooperation in trying to provide high quality service.

**CLIENT INITIALS:** \_\_\_\_\_

**Involvement in Legal Matters:**

My services **do not** include court related work, testifying, depositions, child custody disputes, reports or letters written to the judge, or discussing matters with your attorney. If I am forced to provide such services my court fees will apply (please see the fees page) and you will be required to pay in advance.

**CLIENT INITIALS:** \_\_\_\_\_

**Professional Consultation:**

As a therapist, it is helpful to consult with a professional colleague regarding treatment issues that arise with my clients. All mental health professionals are bound by confidentiality laws as well as a code of ethics. If you have an issue with this please speak to me about it so that we can discuss it together.

**CLIENT INITIALS:** \_\_\_\_\_

**Couples & Family Counseling:**

Working with couples and families is different than individual therapy. All members of the session are considered “the client” together as a unit and are entitled to rights of informed consent and confidentiality. This means that all persons with legal status would have to sign a release of information before any information could be released outside of the system. I may on occasion meet with people individually as needed for supportive purposes for the greater good of the family or couple unit, but I adhere to a strict “no secrets policy”. While it is not my practice to reveal information from individual sessions, I also cannot guarantee complete confidentiality as the issues overlap. If you are concerned about details that need to be kept secret, then it will be important for you to have your own individual therapist separate from my services.

**CLIENT INITIALS:** \_\_\_\_\_

**No Secrets Policy:**

I view the client, couple, and/or family as a unit of treatment. Therefore, it is my practice to adhere to a “no secrets” policy in our work together. This means that I may choose not to partake in keeping secrets from members of the therapeutic system. If you are participating in couple’s or family therapy, any information you disclose to your therapist may be openly discussed with other participating parties as part of treatment. Therefore, if you have secrets to keep from the other members of the therapy process you will need to do so in an individual therapy setting with a separate therapist. If you need assistance finding an individual therapist, please let me know and I will give you some referrals.

**CLIENT INITIALS:** \_\_\_\_\_

**Photography of client / artwork / sand tray / creation**

I give my permission for the therapist to photograph the client’s artwork, sand tray, creation if requested by the client. These photos will be shared with the client or parent and will become a part of the client record.

**CLIENT INITIALS:** \_\_\_\_\_

**Progress During Treatment:**

Making progress and meeting your treatment goals are important. If at any point, you do not feel like you are making the progress you want or you feel like we are not a good match for each other please let me know. I want you to feel like you are getting what you need out of our time together. I will not take it personally if you feel like you need to work with another therapist, want to change the direction of treatment, or want to change your treatment goals. I am open to discussing these things at any time. If you need help finding a therapist more compatible with your needs, I would be happy to provide you with contact information of other therapists I know.

**CLIENT INITIALS:** \_\_\_\_\_

**Telemedicine Services**

I have agreed to participate as a client on the **<https://www.gotomeeting.com>**

Telemedicine (telehealth, teletherapy, distance therapy, e-therapy, internet therapy, or online therapy) network. I will be receiving health care services through interactive video (computer, cell phone, tablet) or telephone equipment. I understand my participation in this is totally voluntary and I may decide to stop at any time. Telehealth is governed by the same laws that protect the confidentiality of your medical information that cover in-office, in-person, face-to-face psychological services. I understand that my provider will deliver telemedicine services from a secure location that safeguards my confidentiality. I understand that it is my responsibility to select a safe and secure location to receive telemedicine services. The patient and psychotherapist both agree to keep the same privacy safeguards during a telemedicine session. No electronic transmission system is considered completely safe from intrusion. Interception of communication by third parties remains technically possible. Due to the complexities of electronic media and the internet, risks of telehealth include the potential release of private information, including audio and images. You are responsible for information security on your device. As a policy, we ask for your agreement to not electronically record telehealth sessions without prior written consent. Telehealth can also include telephone sessions. If you are using a cellular telephone, remember that not all calls or telephones are completely secure and may be compromised by various detection devices. A landline is preferable because is more secure, reliable, and often offers clearer audio quality. Telehealth is not recommended for a psychological emergency and are only provided when it is unlikely that a mental health emergency could arise during the session.

I give my consent to receive services over the videoconferencing and/or camera equipment. I understand the services I receive will become part of my treatment record. I have read this document and I hereby consent to participate in telemedicine network under the terms described above.

**CLIENT INITIALS:** \_\_\_\_\_

If you have questions regarding your care, please let me know. Any non-emergency phone messages will be returned as scheduling allows, but primarily will be returned at the end of the day.

**INFORMED CONSENT FOR IN-PERSON SERVICES DURING**  
**COVID-19 PUBLIC HEALTH CRISIS**

This document contains important information about our decision (yours and mine) to resume in-person services in light of the COVID-19 public health crisis. Please read this carefully and let me know if you have any questions. When you sign this document, it will be an official agreement between us.

**Decision to Meet Face-to-Face**

We have agreed to meet in person for some or all future sessions. If there is a resurgence of the pandemic or if other health concerns arise, however, I may require that we meet via telehealth. If you have concerns about meeting through telehealth, we will talk about it first and try to address any issues. You understand that, if I believe it is necessary, I may determine that we return to telehealth for everyone's well-being.

If you decide at any time that you would feel safer staying with, or returning to, telehealth services, I will respect that decision, as long as it is feasible and clinically appropriate. Reimbursement for telehealth services, however, is also determined by the insurance companies and applicable law, so that is an issue we may also need to discuss.

**Risks of Opting for In-Person Services**

You understand that by coming to the office, you are assuming the risk of exposure to the coronavirus (or other public health risk). This risk may increase if you travel by public transportation, cab, or ridesharing service.

## Your Responsibility to Minimize Your Exposure

To obtain services in person, you agree to take certain precautions which will help keep everyone (you, me, and our families, [my other staff] and other patients) safer from exposure, sickness and possible death. If you do not adhere to these safeguards, it may result in our starting / returning to a telehealth arrangement. Initial each to indicate that you understand and agree to these actions:

- You will only keep your in-person appointment if you are symptom free. [redacted]
- You will take your temperature before coming to each appointment. If it is elevated (100 Fahrenheit or more), or if you have other symptoms of the coronavirus, you agree to cancel the appointment or proceed using telehealth. If you wish to cancel for this reason, I won't charge you our normal cancellation fee. [redacted]
- You will wait in your car or outside until no earlier than 10-15 minutes before our appointment time. I will come to the door and let you in at appointment time. [redacted]
- You will wash your hands or use alcohol-based hand sanitizer when you enter the building. [redacted]
- If you want me to wear a mask in our therapy sessions, you will let me know. [redacted]
- You will keep a distance of 6 feet and there will be no physical contact (e.g. no shaking hands) with me [or staff]. [redacted]
- If you are bringing your child, you will make sure that your child follows all of these sanitation and distancing protocols. [redacted]
- You will take steps between appointments to minimize your exposure to COVID. [redacted]
- If you have a job that exposes you to other people who are infected, you will immediately let me [and my staff] know. [redacted]
- If your commute or other responsibilities or activities put you in close contact with others (beyond your family), you will let me [and my staff] know. [redacted]
- If a resident of your home tests positive for the infection, you will immediately let me [and my staff] know and we will then [begin] resume treatment via telehealth. [redacted]

I may change the above precautions if additional local, state or federal orders or guidelines are published. If that happens, we will talk about any necessary changes.

## My Commitment to Minimize Exposure

My practice has taken steps to reduce the risk of spreading the coronavirus within the office and we have posted our efforts on our website and in the office. Please let me know if you have questions about these efforts.

## If You or I Are Sick

You understand that I am committed to keeping you, me, [my staff] and all of our families safe from the spread of this virus. If you show up for an appointment and I [or my office staff] believe that you have a fever or other symptoms, or believe you have been exposed, I will have to require you to leave the office immediately. We can follow up with services by telehealth as appropriate.

If I [or my staff] test positive for the coronavirus, I will notify you so that you can take appropriate precautions.

## Your Confidentiality in the Case of Infection

If you have tested positive for the coronavirus, I may be required to notify local health authorities that you have been in the office. If I must report this, I will only provide the minimum information necessary

for their data collection and will not go into any details about the reason(s) for our visits. By signing this form, you are agreeing that I may do so without an additional signed release.

**Informed Consent**

This agreement supplements the general informed consent/business agreement that we agreed to at the start of our work together.

Your signature below shows that you agree to these terms and conditions.

## **SOCIAL MEDIA POLICY**

### **Email**

Please use email to contact me for administrative reasons only (modifying appointments, billing information, etc.). Please do not email content related to our counseling sessions, unless otherwise discussed. Email communication is not completely secure or confidential. Any emails I receive from you and any responses I send to you become a part of your legal record.

### **Text Messages**

Please do not send text messages, unless otherwise agreed upon. I will not respond to texting. Any text message I receive from you becomes a part of your legal record.

### **Friending**

I do not accept friend or contact requests from current or former clients on any social networking site (Facebook, LinkedIn, etc.). Adding clients as friends on these sites can compromise your confidentiality and our therapeutic relationship.

### **Following**

I will not follow any client on Twitter, Instagram, blogs, or other apps/websites. If there is content you wish to share from your online life, please bring it into our sessions where we can explore it together.

### **Search Engines**

It is not a regular part of my practice to search for clients on Google, Facebook, or other searchable sites. An exception could be during a crisis. If I have reason to suspect you are a danger to yourself or others and I have exhausted all other reasonable means to contact you and/or your emergency contact, then I may use a search engine for information to ensure your welfare. If this ever occurs, I will fully document the search and discuss it with you at your next session.

### **Location-Based Services**

Please be aware if you use location-based services on your mobile phone you may compromise your privacy while attending session at my office. My office is not a check-in location on various sites such as Foursquare, however it can be found as a Google location. Enabled GPS tracking makes it possible for others to surmise you are a counseling client due to regular check-ins at my office location.

### **Business Review Sites**

You may find my psychology practice on sites such as Yelp, Healthgrades, Yahoo Local, Bing, or other places which list businesses. Some of these sites include forums in which users rate their providers and add reviews. Many of these sites comb search engines for business listings and automatically add listings regardless of

whether the business has added itself to the site. If you should find my listing on any of these sites, please know that my listing is NOT a request for a testimonial, rating, or endorsement from you as my client.

\*\*I have read and understand the **Social Media Policy**. By signing below, I certify that I agree to these guidelines as defined above.
